A Heads Up with Leonid Poznianskiy

With Covid-19 lockdowns worldwide and health authorities urging people to self-isolate and practice social distancing on a massive scale as part of an enormous effort to #FlattenTheCurve of this global pandemic ... we are reaching out to industry friends, colleagues, associates, partners, etc., and asking them to share their #StayAtHome and #QuarantineAndChill activities with us during this extraordinary time.

Leonid's lighting 'magic touch' can be seen on numerous famous national television shows (The Voice, Dancing with the Stars, One to One, Amazing People, You're Super! and several others) and he also lights festivals and works closely with a diverse mix of superstar musicians.

Robe: Where are you right now?

Leonid: At my home in Moscow.

Robe: What are you doing to fill the time whilst isolating / on lockdown?

Leonid: I work on some TV shows – less than usual of course, and I am studying a new console.

Robe: What's the most creative thing you're able to do in isolation?

Leonid: Practising on the latest show software.

Robe: Are you looking after anyone else during the Covid-19 crisis?

Leonid: My family.

Robe: Has anyone inspired you since this started?

Leonid: Faith in the future.

Robe: Favourite book / movie / Netflix series / viral video.

Leonid: I watch a lot of movies although I haven't watched a movie for a long time.

I'm not into games or TV shows and I listen to music on a car radio only in those rare moments when I drive!

Robe: What's the first thing you'd like to do when we are through this?

Leonid: Get off on a sea cruise.

Robe: Own question / answer / message of solidarity or something you'd like to say?

Leonid: Everything will be fine! Believe in the best only!
